## Welcome from the Principal

Welcome to the Framlingham College U10 and U13 Rugby Festival. I extend a warm welcome to all schools and supporting parents.

Rugby goes from strength to strength here at the College and we are delighted to have so many players here today from so many schools, to share in our love for the game.

The Festival today is to be enjoyed, first and foremost. I have no doubt that we will see some fantastic rugby, but as importantly, some great team spirit, mutual support and camaraderie. Sport has the magic to bring people together and I hope that today can be a celebration of exactly that.

My thanks go to our Grounds staff for preparing the pitches and to Mr Nick Gandy, Director of Sport, for organising today's event. Mr Gandy and our Head of Rugby, Mr Laurence Denvir, will be available throughout the day to answer any of your queries about the Festival or about Rugby at Framlingham College.

Have a wonderful day and I look forward to meeting you.

### BIOGRAPHY

Louise North joined Framlingham College as Principal and Head of the Senior School in September 2019.

Following a degree in French and Spanish from Durham University, Louise's career has been dedicated to independent, co-educational day and boarding schools. Her first appointment was at St. Peter's School, York, followed by nine years as a boarding Housemistress, firstly at Glenalmond College in Scotland, then at Marlborough College, where she counted a member of the Royal Family among her charges. Louise moved into Senior Management in 2010, forging a new role at Stonyhurst College as the Deputy Head responsible for the Sixth Form.

Prior to joining Framlingham, she was Senior Deputy Head at Oakham School, one of the largest independent schools in the UK. Louise is married with two children, both of whom are in the Senior School.

## Our '360 Sports Intelligence' Camera System

The '360 Sports Intelligence' system introduced at Framlingham College Senior School, with twelve cameras strategically located around the perimeter of its premier artificial pitch, allows for a genuine 360 degree viewing of matches and training sessions in HD. It is the first of its kind in the UK and, with no personnel required to man the system, it can be used to benefit Prep and Senior School pupils across a variety of different sports, most notably hockey, cricket and rugby. Most of the cameras are positioned end-on in order to provide a tactical view of the game. This helps teams and individuals in their post-match analysis, as well as during and after training sessions. The system also provides live video streaming during matches, which can be accessed instantaneously by coaching staff on the bench using an iPad, or during half-time team talks.

For parents and supporters unable to make the match or the live stream, this '360 Sports Intelligence' system automatically produces a highlights package which can be routinely screened in the Fowler Pavilion and shared across College platforms. This is a first for hockey anywhere in the world, so it is particularly exciting to think that Framlingham College parents and pupils of all ages can be the primary beneficiaries of such ground-breaking technology.

Our College sports professionals deliver coaching from Year 2 through to Year 13 providing a seamless pathway for progression.

We have a through school ethos and believe the grass roots to be as important as the top end talent. Talent is early identified and able players at the Prep School are encouraged to represent the Senior School in a way no stand alone prep school can offer.

We have an extensive 1-2-1 programme for players who show an interest in developing their game.

## Our Coaches

### Laurence Denvir

#### HEAD OF RUGBY

Laurence took up the post of Head of Rugby in September 2021. He has played international rugby for Hong Kong and spent a number of years playing in France. He is also Head Coach of Woodbridge RUFC and a qualified referee.

### Dan Falvey

#### RUGBY COACH

Dan joined us in 2020 from Seaford College where he was Head of Rugby. He has played international rugby for Wales (Rugby League) and Hong Kong (Rugby Union), as well as captaining Loughborough University.

### Nick Gandy

#### DIRECTOR OF SPORT & RUGBY COACH

Nick has coached England Students and the Independent Schools' National XV. At Northumbria University, he won the National Student League and the BUSA Championships (now BUCS Super Rugby) and he steered Blaydon RFC to National Division One.

# Harvey Finbow

## RUGBY COACH

A proud Old Framlinghamian, Harvey is a very promising young multi-sports coach. He is highly rated by the Northampton Saints, where he is involved in their Developing Players Programmes.

# Where every pupil creates their own story.

With our ambitious learning culture, a focus on every individual and a breadth and blend of opportunities, we help every child to discover and develop their talents to create their own life-story.

Our size, structure and ethos mean that our entire focus is on understanding, guiding and inspiring each child individually – so they can find their own voice, their confidence, self-belief and aspiration, discover their own talents, challenge themselves to achieve more than they thought possible and reach their full potential.

There is no typical Framlinghamian, no singular path that we take: we are academics, actors, musicians, expeditioners, sports people, innovators, scientists, ruminators, decision makers, story tellers, teammates, artists, fun lovers, nurturers and thought provokers. Often we are many things within one. But, we are all individual with our own story.

# Sports Scholarships Available

At Framlingham, we are interested in uncovering genuine scholarliness. We want our Scholars to demonstrate excellence and commitment, curiosity and a spirit of inquiry. We are looking for a genuine hunger to develop knowledge and understanding, and a willingness to promote the joy to be found in learning different skills. Scholarships at Framlingham College are highly sought after because of the outstanding pathways that we provide for our Scholars.

Sports Scholarships are awarded at 11+, 13+ and 16+ to pupils with both outstanding potential in one of our Major Sports (Hockey, Rugby, Cricket and Netball) and an all-round sporting ability and aptitude.

Talent must be matched by an excellent attitude towards sport, both on and off the field of play. At 11+, Scholarship candidates are expected to be first team players at their current school and may also play for their district, county or national teams. At 13+ and 16+, candidates should be leading sporting lights at their current school and may also have achieved county, regional or national representative honours. To find out more, please visit our website.
