

BEESTON HALL SCHOOL

GAP ASSISTANT POSTS REQUIRED FOR JANUARY 2026

School leavers from the UK, and beyond, have often spent a fulfilling and enriching year, between school and university, contributing to the many facets of life at Beeston Hall. Set in an outstanding beach side location (the cliff top is 600 metres from the front door of the school) but also benefiting from 700 acres of National Trust woodland, it is a glorious place to work. The school is situated within walking distance of local towns West Runton, Sheringham and Cromer with the compact city of Norwich 45 minutes on the train.

Gap Students (Gappers) gain invaluable leadership experience and life skills, alongside a rewarding year in a friendly boarding community, with a total staff of approximately 65 people. Accommodation is in a separate house, on site, capable of housing up to four gap students all with their own individual rooms and shared bathrooms and communal spaces such as kitchen and lounge.

Duties include coaching sport, assisting in PE lessons, helping in the boarding house, working as a classroom assistant, covering breaktime duties and taking part in school music and drama events, or activities such as surfing and sailing, as well as supporting educational visits off site. For those keen sportsmen and women there are a good number of hockey, rugby, football, netball, tennis, golf and cricket clubs in the local area and several of our staff play and coach at these clubs.

Previous gappers have brought a range of useful skills and qualifications (coaching sport, life-guarding, music, dance, photography, art) to our busy school community, but have learnt many more, through commitment, initiative and enthusiasm, which are the main aptitudes necessary and combine to form an ideal preparation for the next stage in their lives.

Any applications are to be submitted on an Application Form, which can be downloaded from our website. Deadline and applicants' interviews will be held online from 1st June 2025 onwards.
